

Ferrata di Monte Albano

IT: Breve ma complessa ferrata, risale con tratti aerei una parete nei pressi dell'abitato di Mori. Adatta a chi voglia provare un'esperienza verticale ma in totale sicurezza.

GB: Short but complexed, in some parts behind you don't have nothing than air. It's near the town of Mori. Suitable for those who wish to live a vertical experience in totally safety.

D: Kurz und kompliziert, in einige strecken hat man hinter sich nichts anderes dann Luft. Einen Klettersteig oberhalb Mori. Geeignet für diejenigen die das Verticale versuchen möchten in aller Sicherheit
